1. DEUTZ Corporation (“DC”) warrants to the original retail customer that each new DEUTZ engine or genuine DEUTZ **XCHANGE** engine (“Engine”) or genuine new DEUTZ spare or replacement part or DEUTZ **XCHANGE** part (“Part”) supplied by DC or an authorized distributor of DC, purchased by the original retail customer and properly installed in an application, will be free from defects in material and workmanship under normal use and service. If, during the warranty period following the delivery of the Engine or Part, it is shown there is a defect in material or workmanship caused solely by failure of DC’s manufacturer (DEUTZ AG) to meet such standards, and customer has notified DC in writing of such defect within that period, DC shall repair or replace, at DC’s cost and option, such defective Engine or Part. Such repair or replacement will be made without charge to the customer at customer’s premises or, at the option of DC, at such other location as DC may designate. Any Engine or Part that is replaced shall become the property of DC. Any repaired or replaced Engine or Part shall be warranted until the expiration of the original warranty period.
